## Risk Score

How much market risk are you willing to accept? On a scale of 1 to 100, with 1 being the lowest risk and 100 being the highest risk, what's your risk score? If you're not sure, go ahead and guess. You can always talk with your advisor and revise if needed.

Client	Co-Client

Often college savings funds are invested differently from a retirement portfolio. For this reason, it is here that we ask for a risk score that applies only to the handling of your college savings funds.
